PRESENTATIONS:

Carl Berkowitz representative for Bicycle Friendly Communities presented an overview of how to make Richland a more bicycle friendly community and why Richland should encourage cycling. Carl mentioned that cycling would reduce congestion in several areas, cycling promotes recreation, increases tourism, benefits non-driving members in the community and also improves personal health. Carl expressed in his presentation,

several other businesses/organizations share the same vision on promoting bicycle friendly communities in the Tri- Cities such as 3 Rivers Bicycle Coalition and Benton Franklin Health Alliance.

UNFINISHED BUSINESS:

None

NEW BUSINESS:

2015-2020 Transportation Improvement Program,

Pete Rogalsky, Public Works Director, recommends that the Parks and Recreation Commission concur with the findings and conclusions set forth in the staff report and forward a recommendation to the City Council to approve the 2015-2020 Six-Year Transportation Improvement Program. Rogalsky explained that in order to comply with the Revised Code of Washington (RCW 35.77.010) which requires all cities to annually update their Transportation Improvement Plans and RMC 2.18.040 Section E requiring that the Parks and Recreation Commission comment and make recommendations on the annual city long range transportation plan.

Each year, the City is required to update its Six-Year Transportation Improvement Program (TIP) and file a copy of the adopted TIP with the State Department of Transportation. The TIP is a planning tool for federal, state, and local governments and is utilized by state and federal funding agencies in awarding funds for transportation improvement projects. Once adopted by Council and pursuant to a public hearing, the TIP may be amended any time to add funding, add or remove projects, and modify project scope and/or limits.

The Six-Year TIP is derived from projects that have been identified in the City's Transportation Plan, Comprehensive Plan and the Benton Franklin Council of Government's Regional Transportation Plan. Projects shown in the Six-Year TIP are those projects from the previously mentioned planning documents that the City has a reasonable possibility of being funded within the next six years.

In this plan there are a total of 22 projects shown on the Six-Year TIP.

Commissioner Kit McBurney **moved** that the Parks and Recreation Commission recommend to the Council that Rachel Road Improvement be taken off the 2015-2020 Transportation Improvement Program, without the Rachel Road improvement. Vice Chair Doran **seconded** the motion. Motion carried 7-0.

PARKS AND RECREATION COMMISSION COMMENTS:

- **Kit McBurney:** Appreciates all the public comments and also congratulated the graduating commissioner - Samantha Beck.
- **Samantha Beck:** Thanked facility crew for all their hard work.
- **Zach Finch:** Thanked all the public for voicing their opinions.
- **Jim Buel:** Thanked everyone for seeing the vision of this city, both past and present.

- **Shanta Katipamula:** Encouraged everyone to take a look at the parks and recreation E- Activity guide.
- **Nancy Doran:** Reminded and encouraged everyone to attend the next Urban Greenbelt Trail tour on May 31st and also thanked everyone for coming to the meeting and encouraged everyone continue to attend in the future.
- **Maria Gutierrez:** Encouraged any public feedback on parks or any feedback within community.

The meeting was adjourned at 8:53 p.m.
