**Public Comments:** Please limit public comments to 2 minutes. The public comment period is not an opportunity for dialogue with councilmembers, or for posing questions with the expectation of an immediate answer. Many questions require an opportunity for information-gathering and deliberation. For this reason, Council will accept comments, but will not directly respond to comments, questions or concerns during public comment. Records intended for Council consideration must be given to the City Clerk by 4:00 p.m. the day of the meeting for distribution.

**Consent Calendar:** Items on the Consent Calendar have been distributed to the City Council in advance for reading and study, are considered to be routine, and will be enacted by one motion of the Council with no discussion.
